To qualify for the 'with member' reduced green fee the member must play with the visitor being introduced.

Juniors have access to the course at times the diary allows during the week. On Saturday & Sunday they have access to the course after 13.30 hours unless in a Club Competition or playing with an adult member.

*Visitors playing 9 holes are required to pay **£10 deposit** which will be refunded on completion of play within 2 hours – If the full round is completed then they will sacrifice the paid deposit, unless they notify the shop / bar after completing 9 holes. The 18 hole Green Fee will then be charged.*
